Kind reference is invited to the Resy letter of 25th May 1936. The permission conveyed in that letter was recently cancelled during the present period of unrest and until further notice, re: direct correspondence with Foreign Trade Agents except in the case of the T.C for Mysore in London. In the present case the Dr of the wants to correspond directly with the T.C for India in Australia, Japan and Mombasa. The T.C for India in the above places cannot be considered as Foreign Trade Agents. There does not seem to be any objection. Submitted for perusal and orders.
